

Town Justice—Hyde Park

ELECT
Cynthia
Kasnia
Town Justice—Hyde Park

In my various positions as an attorney over the past 17 years I have tried over 100 cases and argued many appeals. My practice has been extensively in family law and criminal law. My training and experience give me the perspective and unique qualifications which would serve me well as Town Justice.

I have developed a broad and firm understanding of the many issues that plague our families. These issues often play out in local criminal courts. I am firmly resolved in a ZERO TOLERANCE policy for violence.

It is the duty of every member of the criminal justice system, including judges to ensure the safety of our citizens.
