

4th Ward—Town of Hyde

ELECT

John Guercio

Town Councilman 4th Ward Hyde Park

My hope is that I can contribute to bringing back pride in being a Hyde Park Resident. My family has been here for over 75 years. I have lived here my entire life. And today Hyde Park does not have a sense of who it is. We must re-discover ourselves. We must find our balance again.

To that I want to contribute to having people outside our community state “I want to live here.”

I want to bring all groups to together and put all ideas on the floor. Let’s energize the community and breed a sense of “Nationalism” on the local level.

This is not the time for politics but the time for action! We are all Hyde Park Residents and I want to truly foster a sense of community and through that motivate us all to make a Hyde Park a better place for all of us.

I am asking you to support me in my election for fourth ward councilman. I promise you I will do my best to accomplish those goals.
