

Supervisor—Town of Hyde Park

ELECT

Joseph Kakish

Supervisor—Town of Hyde Park

I am seeking your support as I am the Candidate for Hyde Park Town Supervisor. I am married to my wonderful wife Meryana Kakish and am blessed with our twin boys Said and Issa age 3. I have resided in the Town of Poughkeepsie for over 25 years and graduated FDR High School in Hyde Park in 1996. I purchased my first home and my wife and I have a daycare, which we have owned for over 7 years. I have earned my Juris Doctorate Degree from Southern New England School of Law, and my Bachelors in Political Science from Pace University.

I have always been a member of the community. I am a member of the Knights of Columbus, a Parishioner at Regina Coeli Church, volunteered at Fairview Fire Department and I was a Police Cadet in the Town of Hyde Park.

My goal is to re-ignite the town of Hyde Park. I am looking to bring back Government Transparency and Communication with the residents. Monitor the budget and maintain financial responsibility. Bring economic growth and plan for our town's future. Hyde Park is a sleepy giant of a town. I will wake up this town with strong leadership, honesty, communication and integrity that it deserves.
